SUBJECT:

Briefing

On 23 November 1976, I briefed Pat Holt, Chief of Staff, Senate Foreign Relations Committee, on background information which he had requested in connection with the Cubana Airlines crash. The briefing went well and Pat Holt was appreciative of the effort made by the Agency in solving the procedural problems relating to this matter, and said he hoped we could handle all future potential problems in the same fashion. The briefing was in response to a list of questions informally submitted by Pat Holt. The list is attached hereto. Responses to the questions were given in accordance with the information contained in the attached memos.
